## Reference

London Underground Regular, Bold, and Heavy is sourced from original photographs of dot matrix arrival boards found across London Underground stations during late-2019 / early-2020.

The following photographs are an example of the particular dot matrix style which was referenced in the typeface creation.

London Underground Medium is sourced from video recordings found on YouTube. Attributes as follows: \* Tony - Transit & Games \* X2K9 \* Random Transport \* Mongchong 123 (Thanks @robhagemans)

## Contribute

**Build Additional Characters to Existing Typeface** From Adobe Illustrator template file: 1. Build New Character - Add new artboard - Provide name of character for layer and artboard - Build character on separate layer 2. File > Export > Export As... 2. Export Artboards as SVG - Choose Export location - Format: SVG (svg) - Use Artboards Checked - All Artboards Selected - Maintain default SVG options

**Add Characters to Existing Typeface** Open .sdf file in FontForge 1. Select character to update 2. File > Import 3. Set width to width of character + 100 - If svg width is 600 then set element width to 700

## Generate Font

1. File > Generate Fonts
  - Maintain default export values
2. Save into `font` directory of repo

## License

This typeface is distributed with an SIL Open Font License.
